For your entertainment and pleasure we beg your leave to present our rendition of the 72nd edition of the Barker Central Latrator.

BARKER CENTRAL SCHOOL

Alma Mater

Just outside our little village
With its buildings tall;
Stands our noble Alma Mater
Known and loved by all.

Chorus:
Raise your voices, Seniors, Juniors
Each and every one;
Help to praise old Barker Central
For the victories won.

Our strong ties can never be broken
Formed in B.C.S.
So we'll love and honor Barker
Far above the rest.

Raise your voices, Seniors, Juniors,
Help us to express
All our love for Barker Central
Dear old B.C.S.

That we'll leave old Barker Central
With its memories dear;
All its joys and all our sorrows
We'll linger near.

Raise your voices, Seniors, Juniors,
And her praises tell;
Hail to thee our Barker Central
B.C.S. all hail.

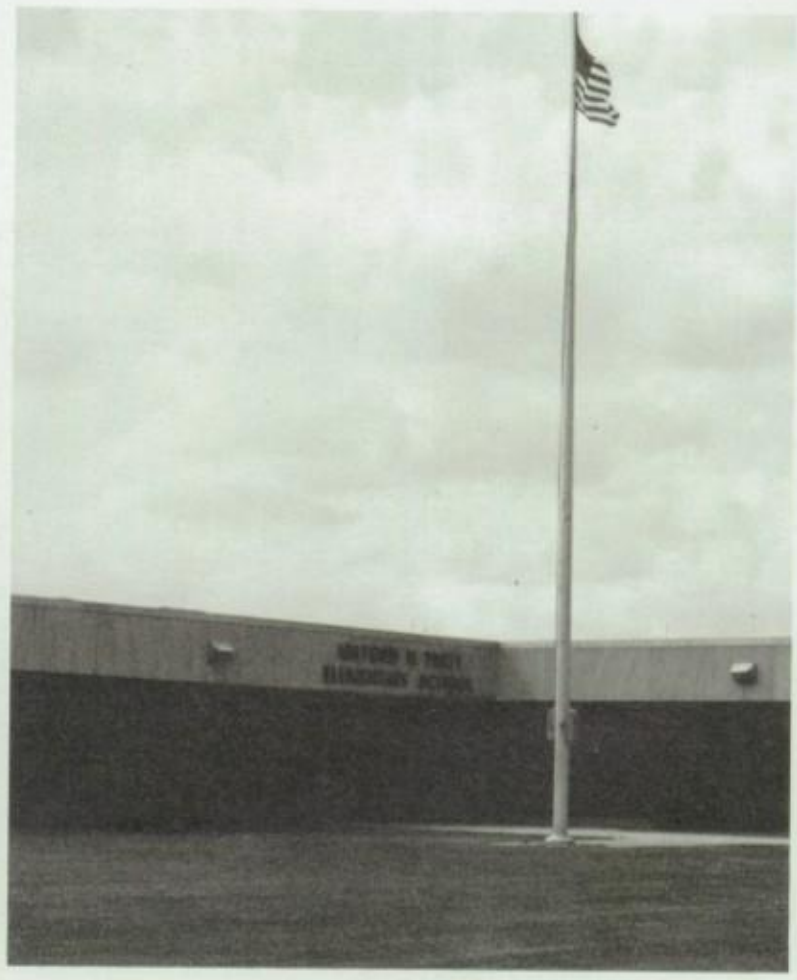
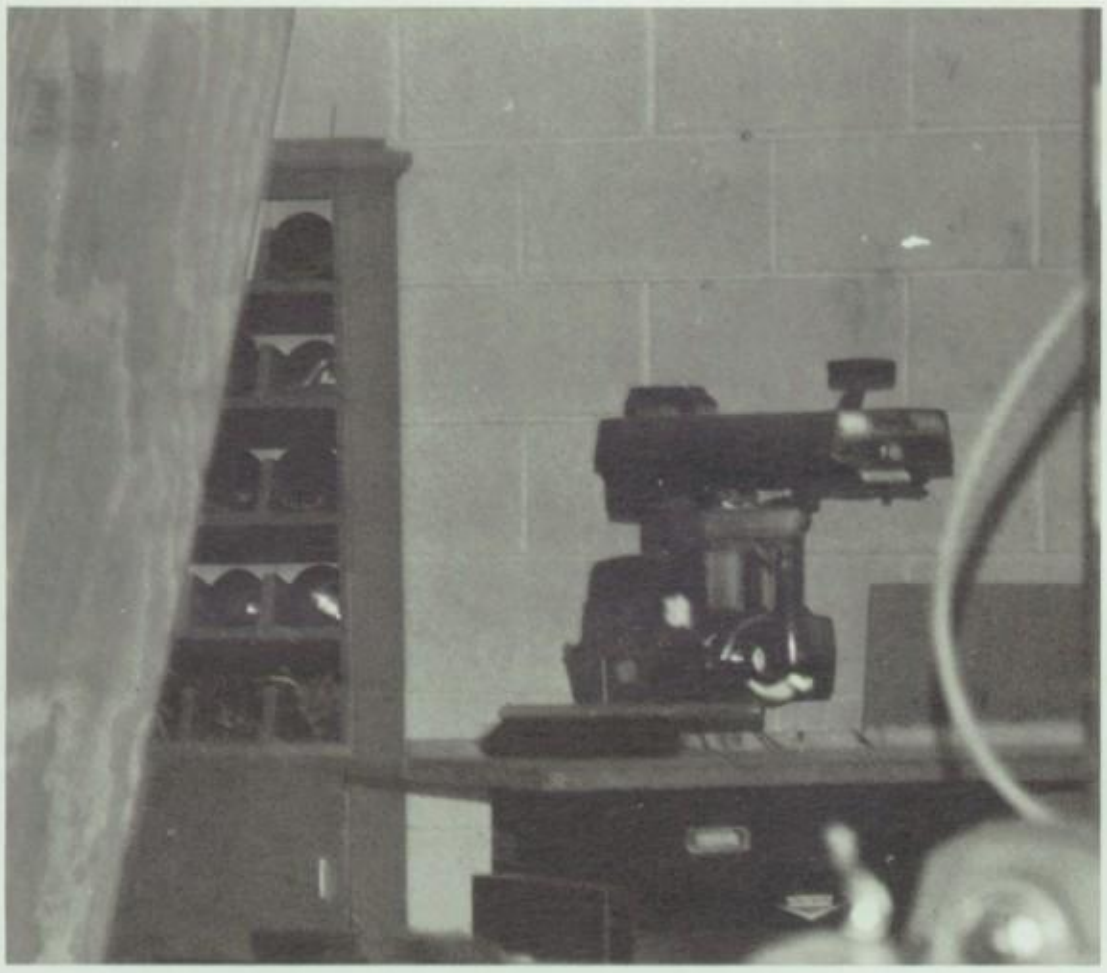
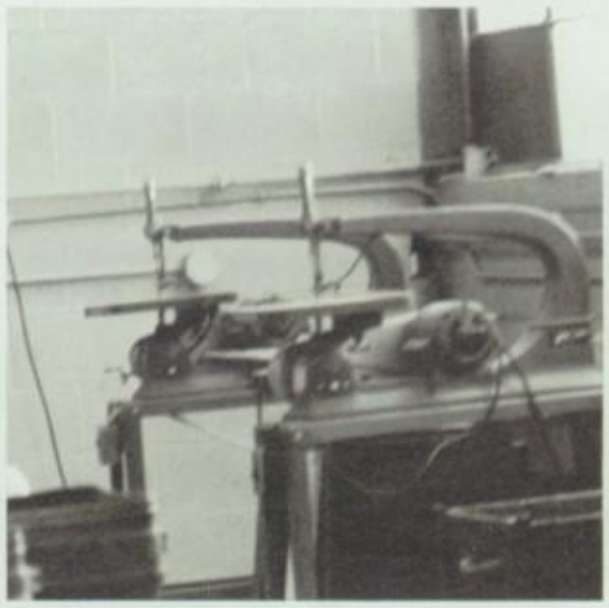
The Show Must Go On!





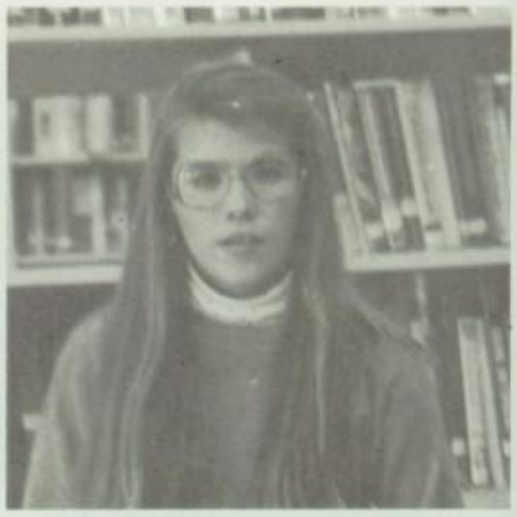
"The show must go on,"
It was whispered in the air.
But the stage wasn't ready —
The props weren't there.

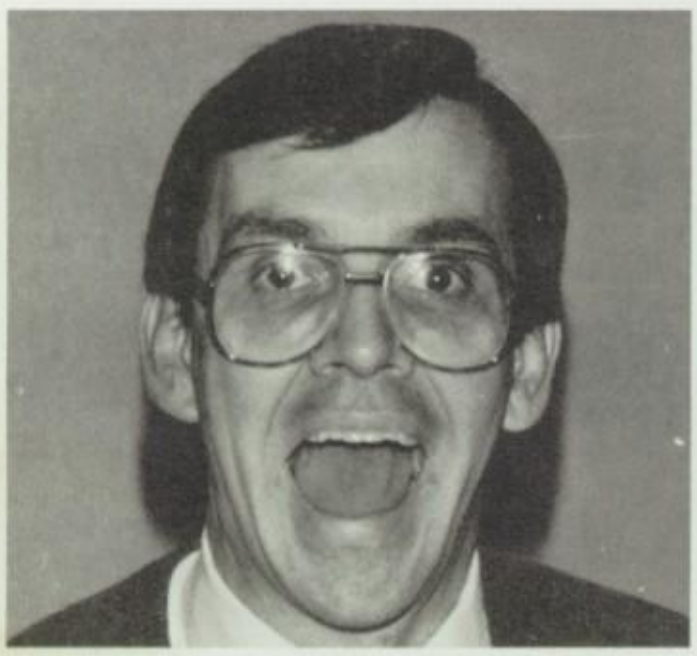
The stairway wasn't steady,
There was sawdust everywhere.
While the producers and directors
Strived frantically to prepare.



The stark bare walls
Needed several coats of paint.
And the workers kept on working
With hardly a complaint.

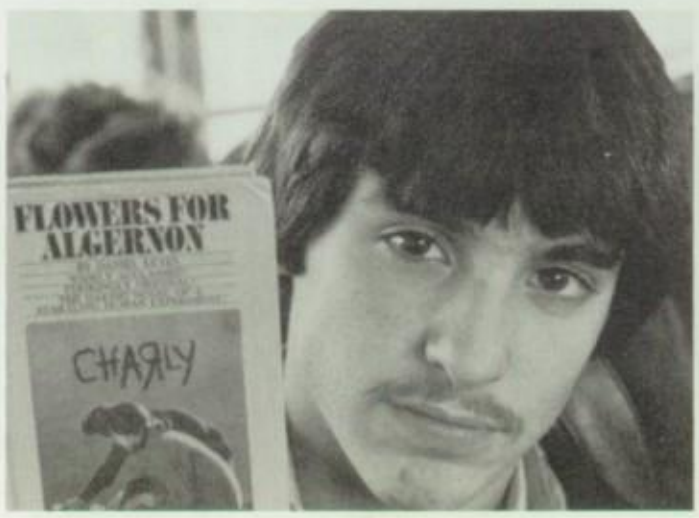
Soon, for auditions and rehearsals,
The actors did appear.
They worked . . . and waited . . .
As the opening drew near.





The day finally arrived
For our show to begin.
The actors were ready,
As the audience rushed in.

In every class
A slice of life
A little comedy,
A little strife.

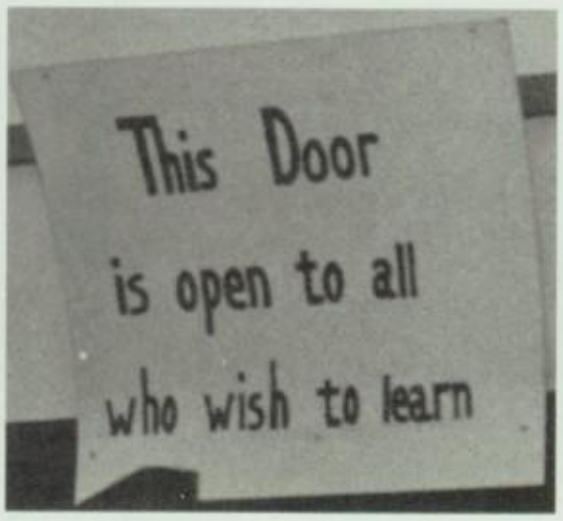


The seventh and eighth grade
vocations
Study many varied careers.
They bank, clerk, and type,
In preparation for the coming years.

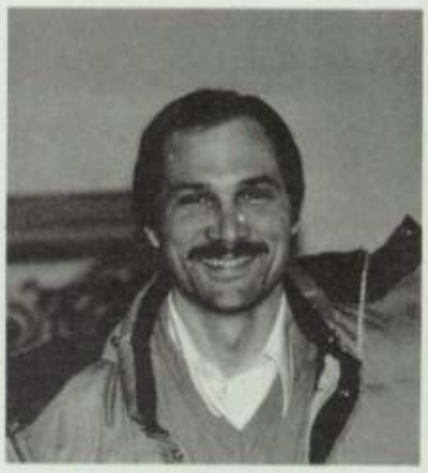
Some students work in shop
With hammer, board, and nail.
They build, paint, and finish
New creations without fail.

Between the hectic scenes
The lunch break is grand.
The actors all mingle
With milk shakes in hand.

Running, jumping and playing —
The P.E. classes do their share.
The bright, new gym floor
Is certainly never bare.



After the show
There are things to do.
There are clubs, and games,
And staff meetings, too.



So, from early in the morning,
Till three o'clock each day,
We perform a continuing drama,
A real live theater, you might say!

The Plot Unfolds

The 1983 Homecoming began with Dress up day on Monday, September 26, 1983. The following Tuesday was Hat day in which many students odd types of headwear. After classes, the balloon toss was held outside. It was a wet, but fun affair for all who participated. The next day was class color day. Afterwards, the egg-relay and traditional "eggwar" were held. The seniors yolked this event with an inspiring victory. Thursday was button day and at 2:30 a tricycle race was held. It took skill and fast feet to be involved with this extraordinary group of athletes. Friday was Maroon and White day. The pep assembly was won by the Seniors leading them to the Spirit Stick. A new event this year was the Barker Games. The Seniors and Juniors competed in several fields including volleyball, earthball and swimming. The Seniors ended up winning the most events but the Juniors vowed to come back and win next year. Saturday the Homecoming procession was formed on a beautiful day. The theme of the parade was Fairy Tales. The Juniors won the float competition with their rendition of Jack and the Beanstalk. Later the football team went on to victory over the Pembroke Dragons. The same evening was the homecoming dance which completed the week of continuous activity for everyone in the High School. TMG

Gifted and Talented Students

Esprit

ESPRIT, (Expanding Student Potential Recognizing Individual Talent), is a new program at B.C.S. aimed at responding to the special characteristics and needs of the gifted/talented student.

The symbol of ESPRIT is the chambered nautilus. The chambered nautilus was chosen because it is a sea creature that expands as it grows — adding a new room to its home as needed — always expanding but always building on what came before. It also always retains a breathing hole so that it can draw from its "past."

The ESPRIT program is headed by Miss Costello.

How Old Are You?

Age is a quality of mind.
If you have left your dreams behind,
If hope is cold,
If you no longer look ahead,
If your ambitions; fires are dead —
Then you are old.
But if from life you take the best,
If in life you keep the jest,
If love you hold;
No matter how the years go by,
No matter how the birthdays fly —
You are not old.

Success

Success is counted sweetest
By those who ne'er succeed.
To comprehend a nectar
Requires sorest need.

Not one of all purple host
Who took the flag to-day
Can tell the definition,
So clear, of victory,

As he, defeated, dying,
On whose forbidden ear
The distant strains of triumph
Break, agonized and clear.

Success was when my little brother learned how to tie his shoes. Success was when I taught him how to write his name. Success is when I bake a batch of cookies and turn around to get one and they're all gone. Success is when my mom comes home and kisses me for doing something she didn't even ask me to do. Success is getting a 100 on a math test. Success is being happy even though you lost. Success is showing somebody you love him.

Angela Ackerson

Thank you Mrs. Blumreich for your time and effort. It is greatly appreciated.

New Frontiers

There, is always a horizon or an obstacle to overcome. It can be that distant dream or just a point in space or time. Yes, the horizons seem distant and never to be reached, but somehow you always look back and there, somewhere in the past is that point in time or space. The point in your life which was once a distant horizon, is gone. Somewhere a whirlwind of hope swept you and carried you, it brought you past the frontier. Over the horizon you flew not knowing to what you were going but having hoped, you made it, and you entered the wide and NEW FRONTIERS.

This past summer three families from our school district hosted exchange students through the F.I.C., which is a Catholic exchange program. Coincidentally, they were all from Quito, Equador. Their stay extended into the school year and they had the chance to experience our homecoming.

Coming from Equador, a small Spanish speaking country in South America, the students spoke to Senora Castaldo's first year Spanish class. During their stay they experienced small town life in the United States.

Roberto Quintano was hosted by the family of Mr. and Mrs. Peter Devereaux of Lake Road, Barker. Roberto enjoyed his stay here despite his problems with the language.

Juan Uquillas stayed with Mr. and Mrs. David Moretuzzo of Ridge Road, Hartland. Juan always smiled as he walked down the halls of B.C.S.

Roberto Toledo spent his stay with the family of Mr. and Mrs. Allen Belliveau of Ridge Road, Hartland. Little Roberto could always be seen with the other two exchange students as they huddled in deep conversation.

My name is Michele Giaconi, I have a brother and sister who are older then me and a twin brother who is also an A.F.S. student, in Wisconsin. I presently am staying with the Quiett family. I come from Vicenza, a small city in the northeastern part of Italy. It's very different from the community of Barker. I have always dreamed of coming to the United States and the A.F.S. experience has given me the opportunity to do this.

I would like to thank everyone in the community of Barker, the school, the friends, and everyone who has helped me during this year. I'll never forget all of you and I hope to come back to Barker in the future and visit.

Thank-you
Michele

I had the most wonderful summer ever imaginable. From the small towns which dotted the country side to the robust Black Forest, everything was picture perfect. The people were so warm and friendly and demonstrated to me the hard working values of German families and communities. Each person I came in contact with shared a part of themselves with me, which I will treasure and carry with me always. I grew in many ways this summer; independence, maturity, and a few too many pounds from the scrumptious German cake, ice-cream and chocolate.

Thank-you all who made this experience possible. If at any time I can share any part of it with you feel free to ask me. Thanks again from the bottom of my heart.

Love,
Jeneen

Junior-Senior Prom 1983

You and I

Just you and I
Sharing our love together
And I know in time
We'll build good dreams to treasure
And we'll be alright
Just you and I

Just you and I (Just you and I)
Sharing our love together
And I know in time (And I know in time)
We'll build good dreams to treasure
But we'll be alright
Just you and I

And I remember our first embrace
That smile that was on your face
The promises that we made
And now your love is my reward
And I love you even more
Than I ever did before

Just you and I (Just you and I)
We can entrust each other
With you in my life (With you in my life)
There'll never be another
We'll be alright
Just you and I

And I remember our first embrace
That smile that was on your face
The promises that we made

But now your love is my reward
And I love you even more
Then I ever did before

We made it, you and I

The 1983 Junior-Senior Prom was held at Harbour Pointe Country Club on May 20. The theme was "You and I" and the music was supplied by "Pulse."

At the stroke of midnight, as is tradition, the reign of the new King and Queen began. Daniel Hoffman and Tracey Weller were crowned by former King and Queen, Jon Miner and Susan Hallows.

The Queens court consisted of Kimberly Plummer, Jeneen Moretuzzo, Terri Baty, Meg Coates, and Christine Filipovich. The King was attended by Robert Foote, Ronald Porter, Stephen Wait, Daniel Davis, and Russell Snow.

After dinner Junior and Senior toastmasters, Patrick Fuller, Anthony Fazzolari, David Hoffman, and David Lauber entertained us with humorous stories and gifts.

The success of this prom was largely due to the effort of the Junior Class Officers and Mr. Johnson who pulled everyone together so that we could have the best prom possible.

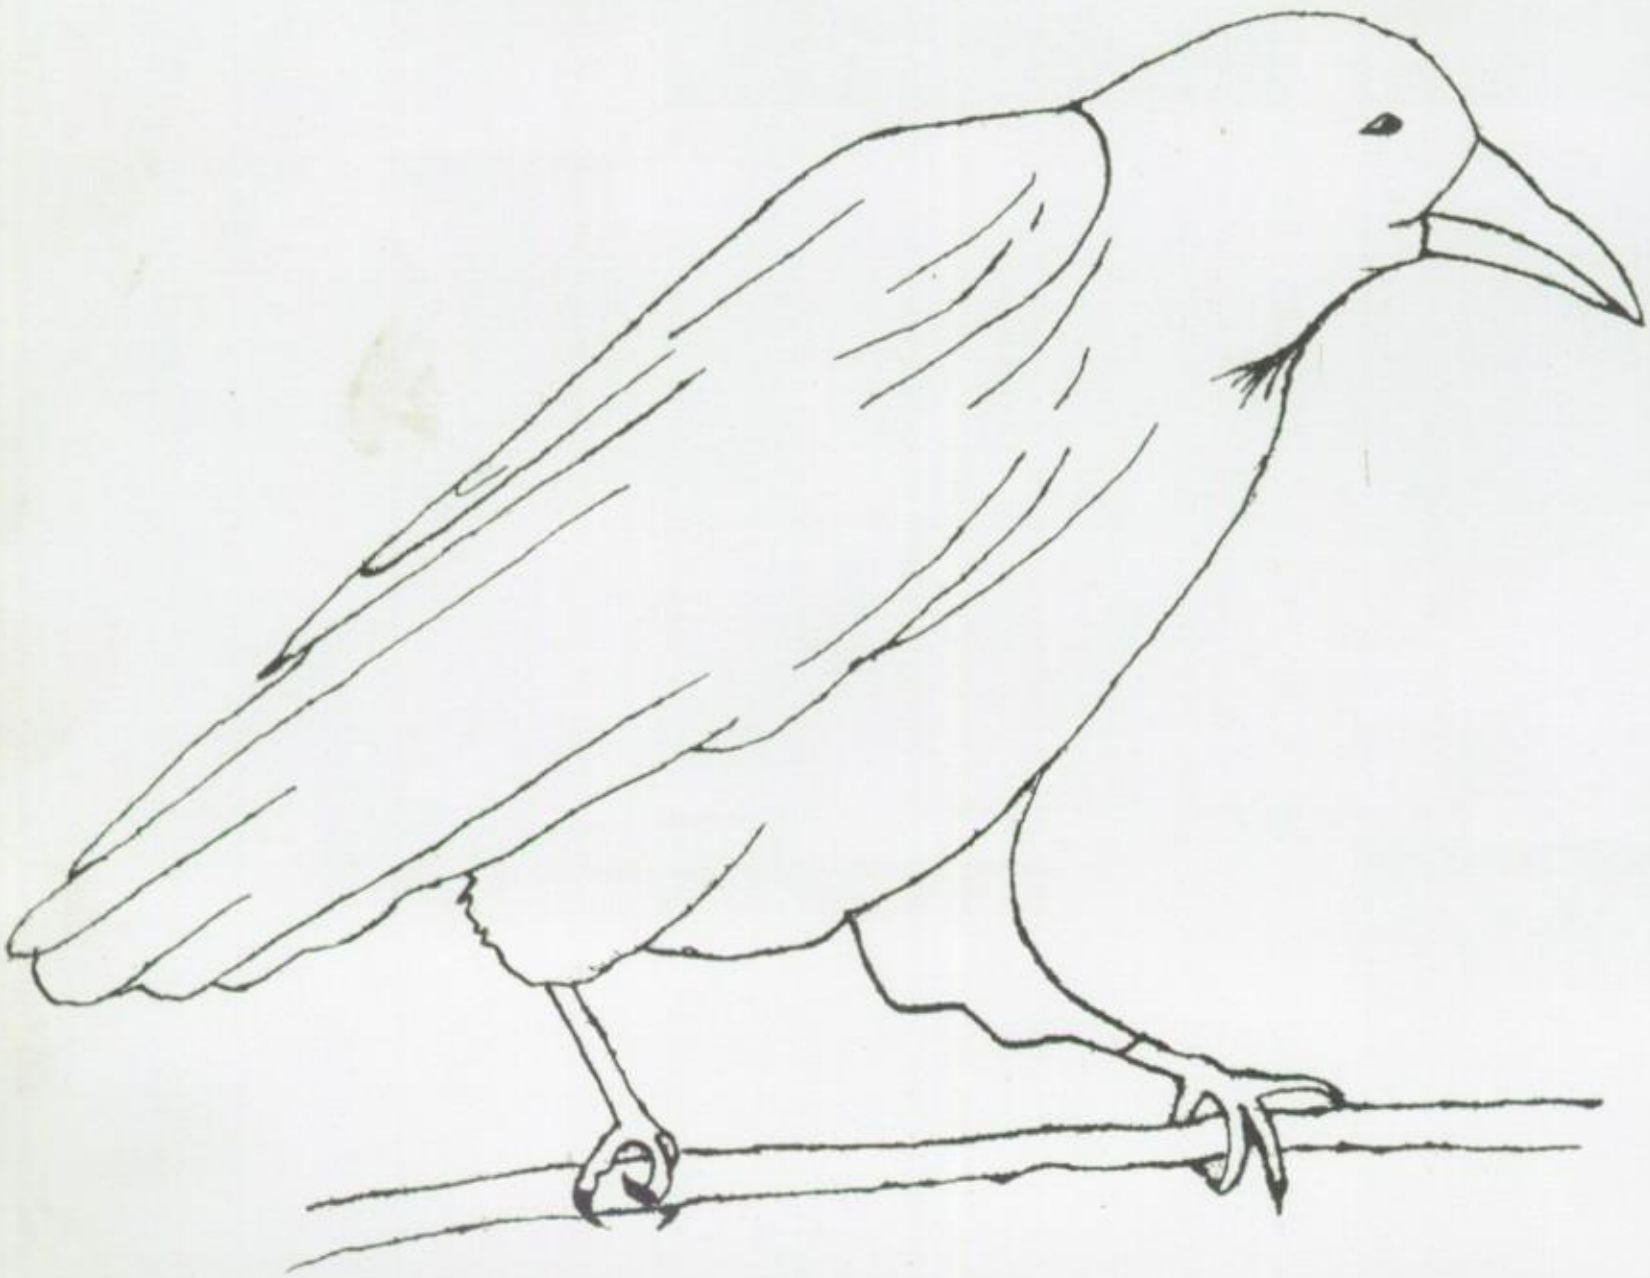
Our Canadian Exchange Student



My name is Henry Simon "Le Crow" and I come from Port Colbourne, Ontario, Canada. I came to the United States through my local F.B.A. (Fugitive Bird Association) to seek political asylum.

Upon settling in Barker, I managed to talk to many local residents and Barker Central School faculty members about my life and travels.

I did want to attend school to improve my vocabulary, but due to various reasons, the closest I ever came to a classroom was the outside of the window looking in. However, according to some people, I probably would have failed English, anyway.

Since I have much free time, I like to sample American cuisine with a special emphasis on junk food. I also am an avid flyer with my specialties being dive bombing and swooping.

I would like to thank all of those who made my stay in Barker so enjoyable. I would also like to thank my local chapter of the F.B.A. for making my trip possible. I wish my stay could have been longer, but I was needed at home.

Love,
Henry

P.S. — Thanks for the potato chips, Walter! (Also, say "HI" to Blacky for me.)

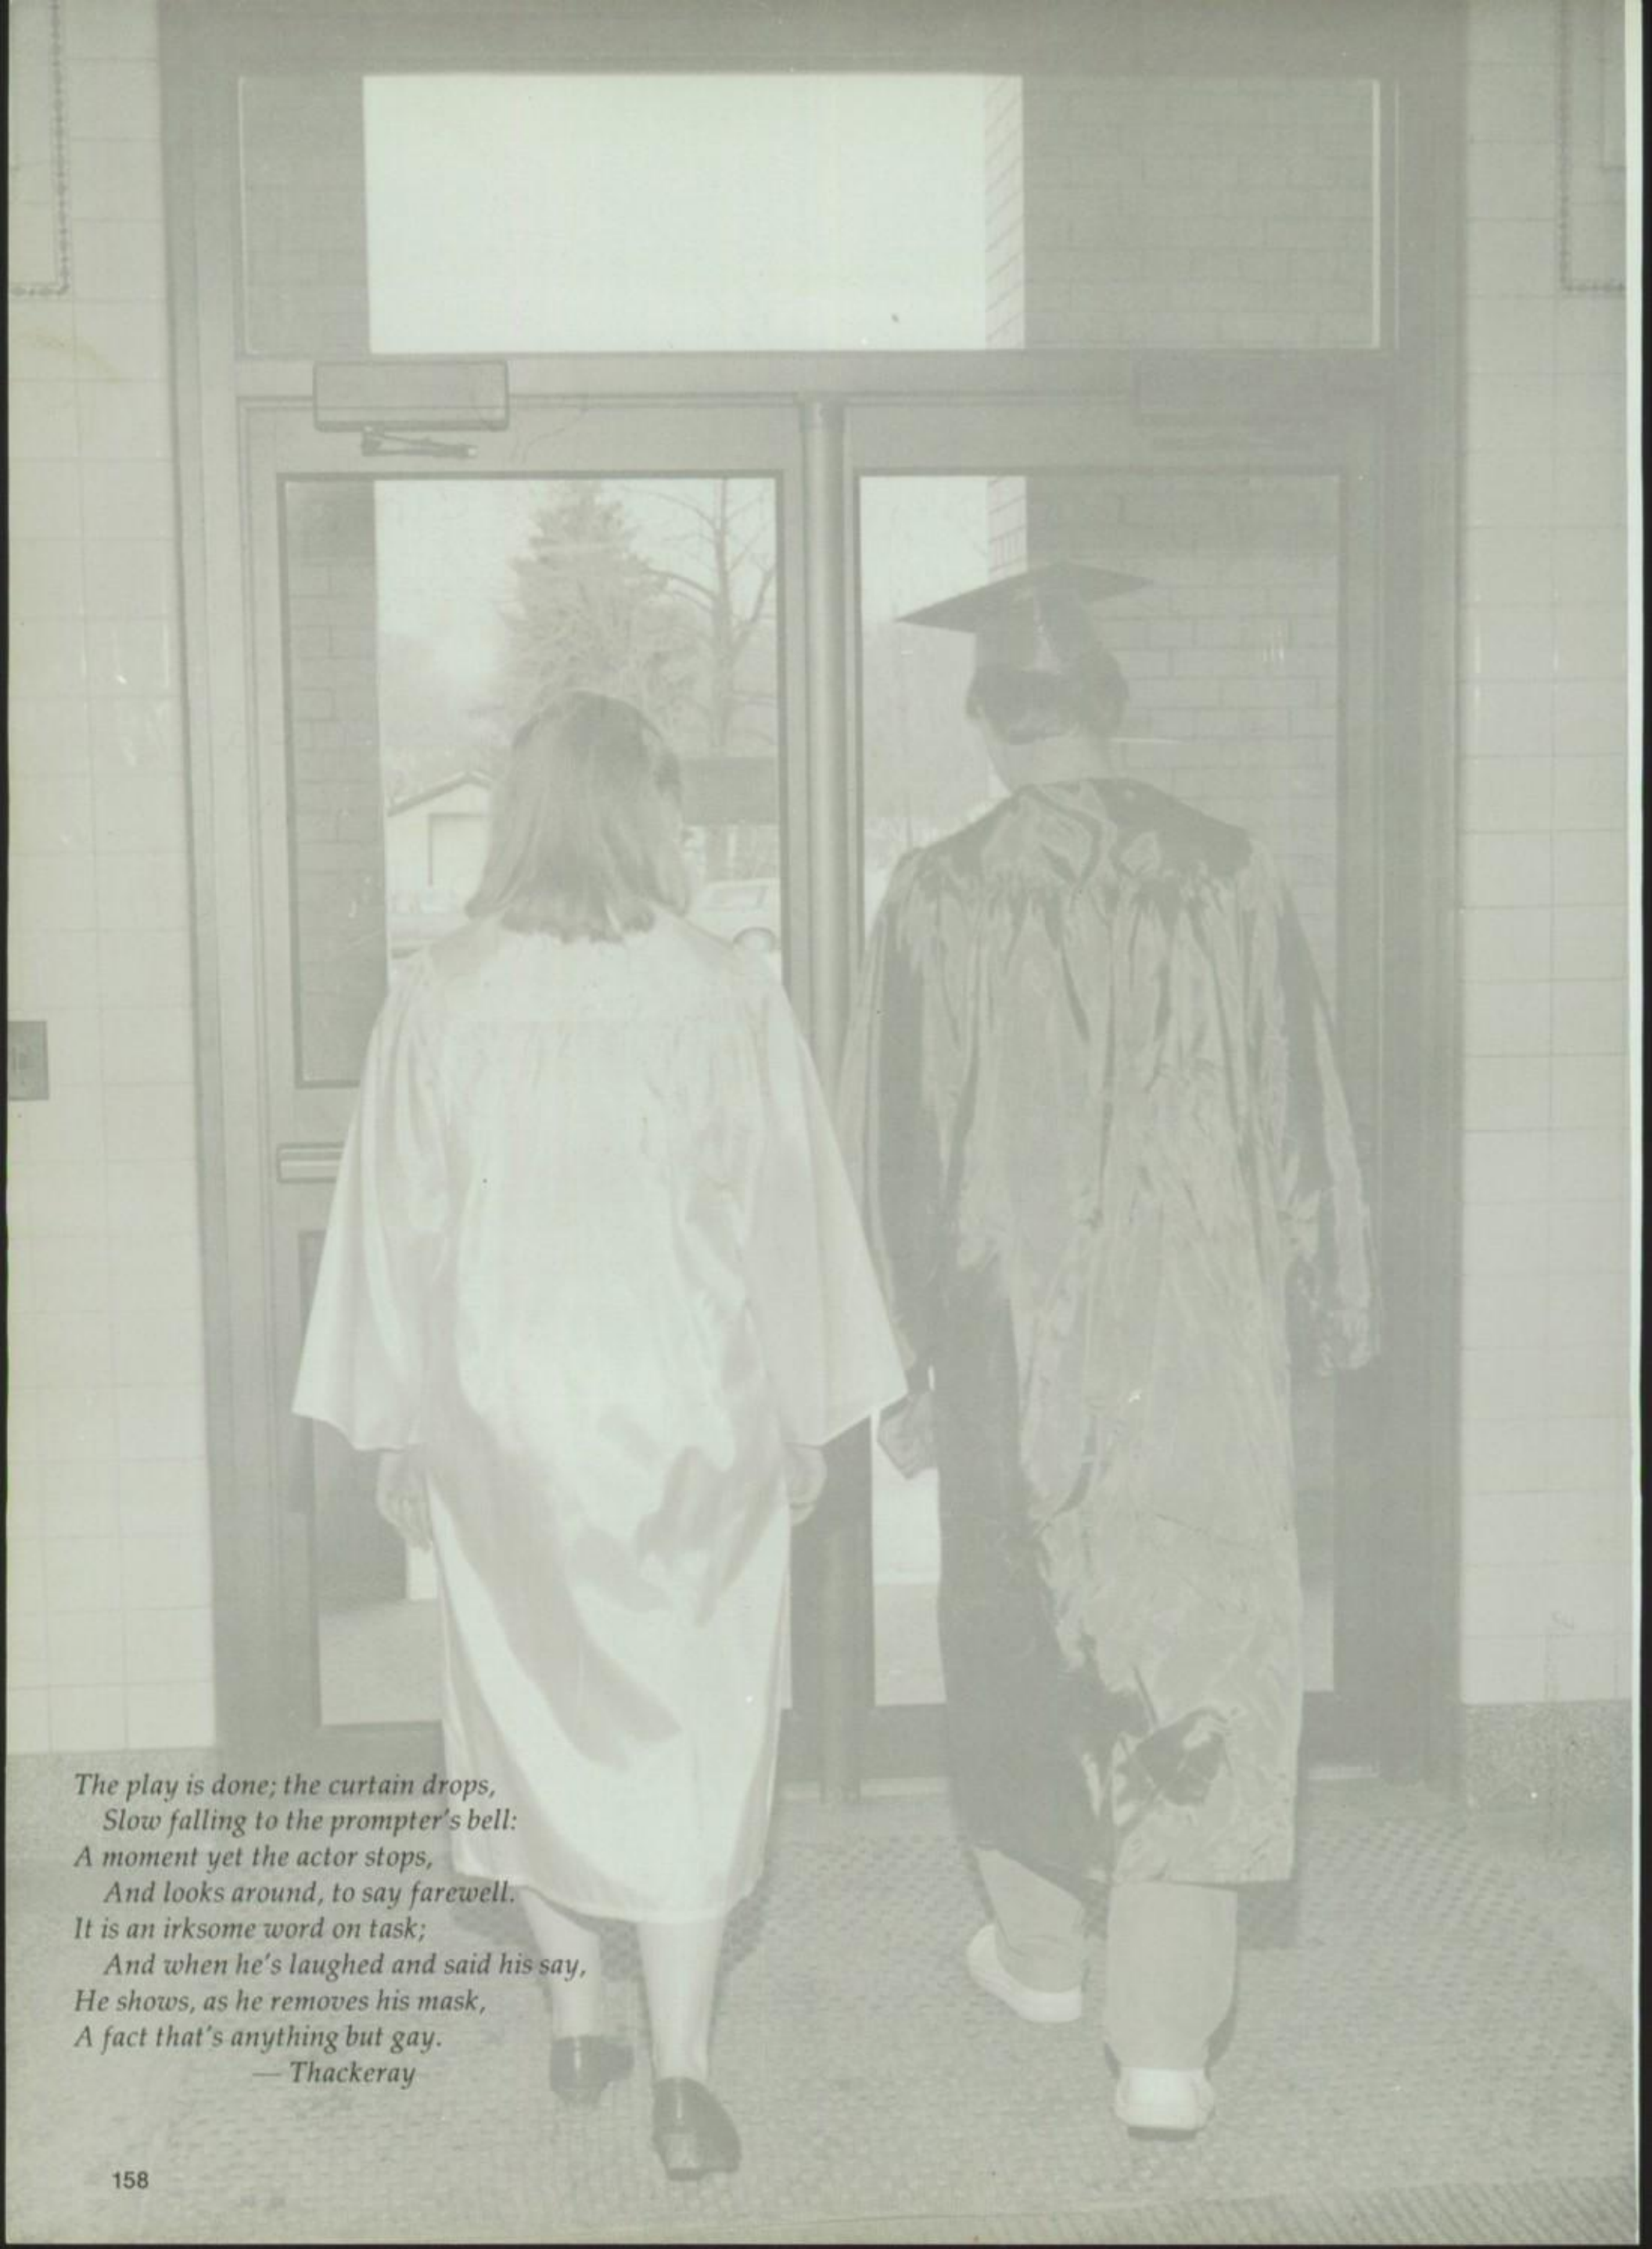
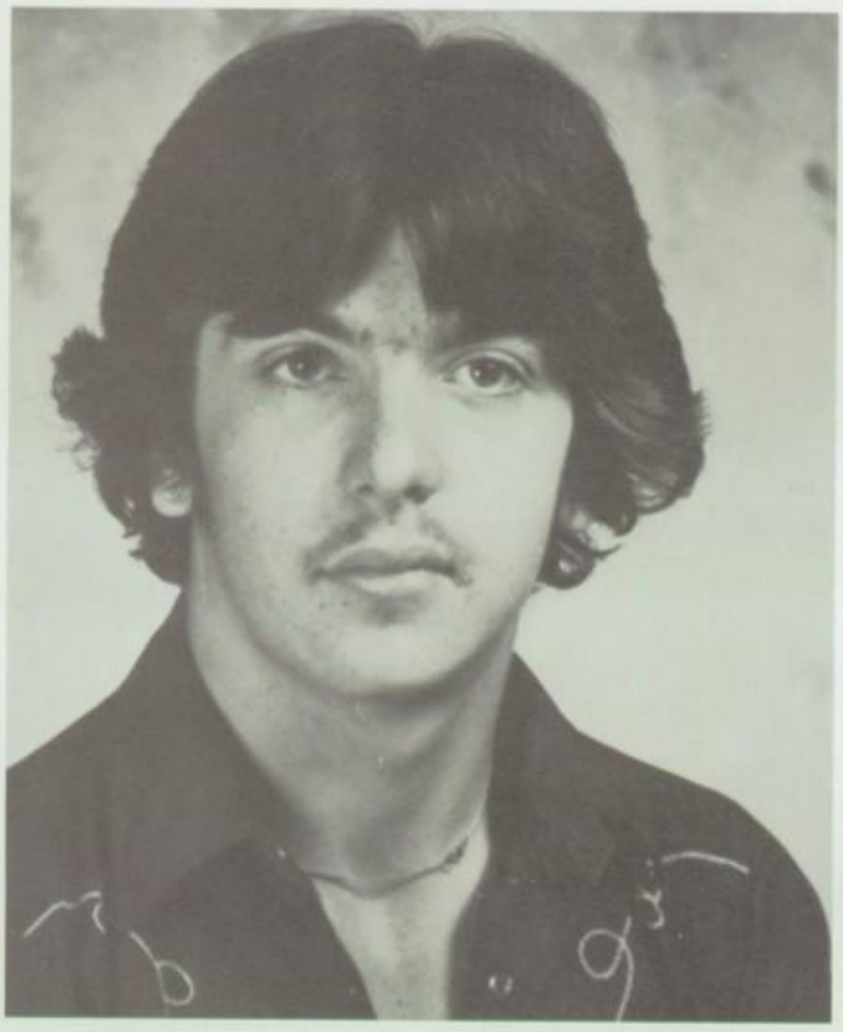
If you fail.



The play is done; the curtain drops,
Slow falling to the prompter's bell:
A moment yet the actor stops,
And looks around, to say farewell.
It is an irksome word on task;
And when he's laughed and said his say,
He shows, as he removes his mask,
A fact that's anything but gay.
— Thackeray

IN MEMORY OF . . .

Todd Eldridge and Tim Smith, to whom we would like to dedicate this book. They will always live in our thoughts and be missed.



The Day Is Done
Henry Wadsworth Longfellow

The day is done, and the darkness
Falls from the wings of Night,
As a feather is wafted downward
From an eagle in his flight.

I see the lights of the village
Gleam through the rain and the mist,
And a feeling of sadness comes o'er me,
That my soul cannot resist;

A feeling of sadness and longing
That is not akin to pain,
And resembles sorrow only
As the mist resembles the rain.

Come, read to me some poem,
Some simple and heartfelt lay,
That shall soothe this restless feeling,
And banish the thoughts of day.

All's Well That "Ends" Well . . .
